Snowmobile Safety Class

The Crawford County Sheriff Department, with the cooperation of the Community School program, will have another snowmobile safety class November 29th.

The safety class is designed so that youngsters age 12 through 15 years have an opportunity to obtain a safety certificate. The class covers Michigan snowmobile laws, first aid, trail emergencies and many tips on safe operation of a snowmobile. The course was designed by Department of Natural Resources and is instructed by certified instructors.

The class starts Monday, November 29th, at 3:45 p.m. and runs until 5:00 p.m. To qualify for the Safety Certificate, students must attend all five classes, Monday through Friday. Those who complete the course will receive their certificates and a patch on Friday, December 3rd. The class is free and open to anyone age 12 or over.

For more information or to sign up for class contact Howard Taylor at the Grayling High School (348-7641) or Deputy Tim Coe at the Sheriff Department (348-6341).

Help For Alcoholics — Available Here

[Special to the Avalanche]
Help is at hand for female alcoholics in Grayling if only they would seek out assistance.

There are about 700 alcoholics going without any sort of help in Crawford County and at least half of them are women, according to Jerry Macfarlane, alcohol counselor at the local counseling and information center. Newly located on the I-75 North business spur, just past Lake Street, the center hopes to expand their community work to include these hidden drinkers.

"The female alcoholic is usually a closet drinker," he

said. Women are more inclined to drink at home alone after the family has gone on to school and work. Women drive less and are not as liable to end up in accidents when they have been drinking. He added that since many women do not work they do not have an employer monitoring absenteeism or work performance. Male drinkers usually cannot cope with all of these responsibilities and serious drinking at the same time.

"The female drinkers' only deterrent is her own feeling of responsibility for her family. The more she succumbs to the disease of

Vikes Host Gaylord in
Cage Season Opener

The Grayling Vikings will kick off their 1976-77 basketball season under second year mentor, Fred Wolcott, when they entertain the Gaylord Blue Devils next Tuesday evening, November 30th, in a Michigan-Huron Shores Conference clash.

There will be no warm-up games for the Vikings prior to league competition as in former years as they open the schedule with their traditional rival, Gaylord, followed with the Charlevoix Raiders coming into town on Friday, Dec. 3rd, to kick off the round ball madness that helps fans to partially forget winter.

Coach Wolcott has selected a 13-man squad to represent the green and white Vikings that include 5 letter winners returning.

Lettermen, all seniors, are: Steve Olsen, Mike Money,

Alan Johnston, David White and Perry Papendick. They will be joined by, Will Roach, senior; Doug Kuhn, Randy Erickson, Tom Kaiser, Randy McClain and Brian Ruddy, juniors; and Scott Johnston and Geoff Stancil, sophomores.

Kuhn will be lost to the squad for between 6 to 8 weeks due to a broken bone in his foot, sustained in practice, according to coach Wolcott.

The Junior Varsity, under coach Tom Mills will suit up 10 players to compete in their portion of the M-HSC.

Selected by coach Mills are: Calvin Jones, Tim Bitner, Jeff Parkinson, Dan Neiderer, Skip Olsen, Mark McEvers, Steve Kapats, Harold Baker, Drake McColland and Ralph Dandy.

The Freshman squad will

be under the direction of Warren Hayes in their first year of high school competition.

Coach Hayes selected a 23-man squad following a couple extra practices last week and includes:

Rusty Shepard, Mark Kibbe, Ted Maksaarekui, Mark Whaley, Jerry Lucksted, Terry Lucksted, Willy Lucksted, Dave Sanborn, Bob Rankin, Rocky Tobin, David Bendig, Mike Walsh, Mike Doremire, Gregg Stancil, Rich Calkins, Perry D'Amour, Jerry Hawkins, Joe Lee, Todd Duckley, Jeff Schrader, Jim Kitch, Mike Chrisman and Ken Helser.

A complete Varsity and JV schedule appears on page 13, with the freshman basketball and wrestling schedules appearing on page 8 of this issue.

Study Shows AuSable
Water Quality Improved

by Willard E. Bosserman
County Extension Director
Improvement in water quality in the South Branch of the AuSable River was pointed out by a study made in July of 1975. The study was reviewed at a meeting of the AuSable Watershed Study Council on Tuesday, November 16th.

The purpose of the study, made by Comprehensive Studies Section of the Michigan Department of Natural Resources, was to determine the effect of the wastewater treatment plant in Roscommon. The study showed that the installation of a spray irrigation system at Roscommon has resulted in improved conditions in the South Branch.

The data does, however, indicate that current water quality conditions in the South Branch may warrant further investigations. The cause of elevated fecal coliform levels in the river and tributaries near Roscommon should be determined. These

densities could be the result of natural causes. They could also, result from storm water run-off of interceptor problems in Roscommon.

The Council also reviewed the plans for construction of new sanitary sewers with aerated and storage lagoons and application by spray and flood irrigation for Otsego Lake. The lake is in the AuSable River watershed. The treatment lagoons are within 2 miles of the North Branch of the AuSable River. The plans submitted to the council by the Environmental Agency were in order and the council concurred with the project. The system will improve the water quality of Otsego Lake, which does flow into the North Branch through the over flow dam.

The AuSable council also reviewed a summary of a survey conducted by the United States Department of Agriculture Forest Service regarding designating the AuSable as a national wild

and scenic river. Designation of the river as a national wild and scenic river is viewed by some environmental interests as a means of preserving river aesthetics, and providing recreation opportunities for the public. Commercial and land owner interests indicate designation is not necessary to protect river values and the same benefits can be obtained through local zoning.

Some of the other concerns expressed by citizens answering the survey were; law enforcement, lack of user facilities, environmental impacts of the river use, user conflicts, development of the river by residential interests, extension of governmental control and river access points.

No conclusions had been reached, but it was a report of citizen interest.

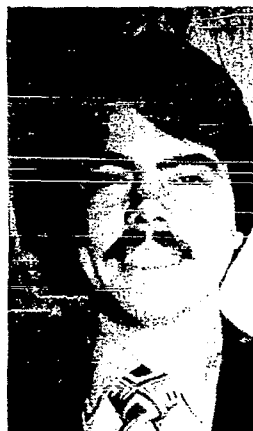

The next meeting of the AuSable River Watershed Study Council will be Tuesday, January 18 in the Grayling City Hall.

Mail Early

It's that time of year again, and Grayling's Postmaster James Baker is again urging everyone to mail early, especially for long distances. Parcels and cards in the mail now will insure delivery before Christmas.

The Postal Service today advanced its suggested mailing deadlines for Christmas for domestic parcels and letter mail to December 3 and 10, respectively, in anticipation of an exceptionally high mail volume.

Opens Law
Office Here

David McEvers, son of Mr. and Mrs. Ted McEvers, 1511 N. Roberts Rd., Grayling, has been sworn in to the State Bar of Michigan before the Honorable Judge William Porter of the Crawford County Circuit Court on November 2, 1976.

McEvers was born in Grayling and graduated from Grayling High School in 1967. He then served in the U. S. Army. He is a graduate of Wayne State University School of Business Administration and Wayne State Law School. While in law school, he served as both clerk and president of Phi Delta Professional Law Fraternity. He worked for a Legal Aid Clinic in Detroit and there gained over a year of counseling and litigation experience.

McEvers will reside in Grayling and has opened a law office at 201 Huron Street, in the State Farm Insurance Building.

Checks Mailed by Grayling Bank

The Grayling State Bank announced the mailing of 217 Christmas Club checks to their members this week as the Yuletide season fast approaches.

Jack Alef, president of the bank, stated today, that the 217 members this year will be sharing a total of \$34,739.00. President Alef also said, that the 1977 Christmas Club accounts may be started at any time, to insure another carefree yule season for those who join.

Why Shop Grayling First?

The following message is taken from a previous Grayling Regional Chamber of Commerce Publication "The Norway".

Christmas Shop in Grayling...there are very few items of merchandise that cannot be purchased in Grayling and the prices are equal, if not better than the downtown metropolitan centers or in the surrounding cities.

Can you get the same personalized and friendly service that you can receive in our stores? I say...you can't...You can wait for many minutes before a sales person will wait on you, and then in a very curt and impersonal manner. You fight your way through crowds to reach the proper counters...you fight for parking places...you walk until you can't stand up... Why do it when you don't have to???

Spend a day in Grayling to do your Christmas shopping. We have the downtown area...we have the Grayling Mall...we have stores all along the I-75 Business Loops. You will have a delightful experience and you will be greeted with a friendly "hello" and a "Merry Christmas"...and thank you for shopping Grayling...

Thanksgiving
Closing

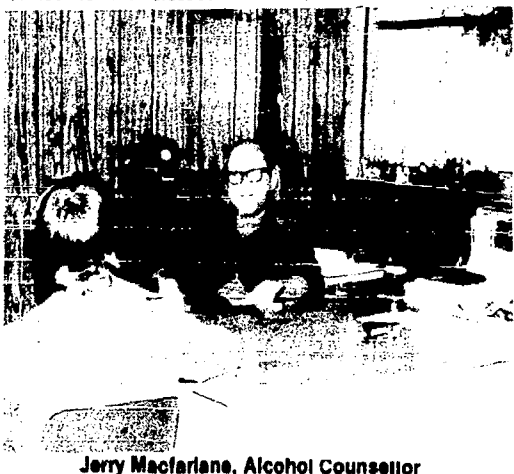

All Michigan Consolidated Gas Company customer business offices will be closed Thursday and Friday, November 25 and 26, in observance of the Thanksgiving holiday. The offices also will be closed Saturday and Sunday, as always.

Although the offices will be closed, the company said emergency service calls will be handled in the usual prompt and efficient manner.

Country Club New
Year's Party Set

Plans for the Grayling Country Club New Year's Eve party are now taking shape. Included in the evening will be an open bar, dancing and brunch (around 1:30 a.m.). Tariff has been set at \$25.00 per couple, and will be available to the first 50 reservations.

The following committee members will be most happy to take your reservations to this first annual event: John Harland, Press Slack, Dr. Robert Schwarz, or Ken Gothro. Deadline for reservations has been set for Dec. 15th.

GRAYLING, MICHIGAN — THURSDAY, NOVEMBER 25, 1976

From Our Corner...

With our early publication this week due to Thursday's holiday ... we find ourself without any particular thought to pass on to our readers — so, we will again turn to the following for reprinting which we feel answers the reasons of our celebration of Thanksgiving.

Thanksgiving — '76

"Rest and be thankful." How far modern man has strayed from that wise old Scottish counsel! Too often we scurry about our daily affairs, complaining of traffic, the state of the Union, food prices and the like — never bothering to count our blessings. This Thanksgiving Day, November 25, would be an excellent time to reflect upon the true meaning of life in America and, in so doing, come to a real appreciation of our good fortune.

Thanksgiving is more than a unique American celebration to be observed with parades, roast turkey and speeches. It honors the beginnings of the U. S. and our rich legacy of freedom, won by the blood and sacrifices of the first American settlers and others who came before us. How can anyone breathe the sweet air of freedom and not dedicate themselves to the democratic ideals which make life worth living and upon which this nation was founded? That each of us should be alive and living in the greatest country on Earth is cause enough to give thanks every day of the year. We should never be too busy to "Rest and be thankful."

from HISTORY'S SCRAPBOOK DATES AND EVENTS FROM YESTERYEARS

November 26, 1789—President George Washington sets this date aside as a day of national thanksgiving for the adoption of the U.S. Constitution.

November 27, 1910—Pennsylvania Station in New York, the world's largest railway terminal to date, is opened to traffic.

November 28, 1520—Ferdinand Magellan enters the Pacific Ocean on his way around the world, the first European to sail that body of water from the east.

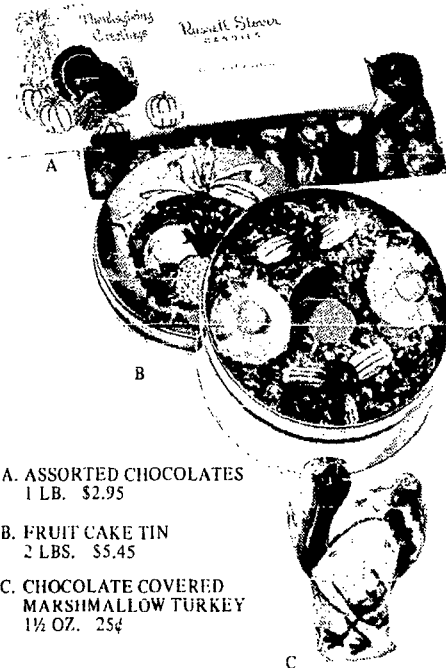

November 29, 1963—President Lyndon Johnson appoints a seven-man bipartisan committee, headed by Chief Justice Earl Warren, to investigate the assassination of his predecessor, John Kennedy.

November 30, 1782—Preliminary peace articles ending the Revolutionary War between the United States and Great Britain are signed in Paris.

December 1, 1913—The world's first drive-in gasoline station opens for business in Pittsburgh, Pennsylvania.

December 2, 1956—Fidel Castro begins his revolution in Cuba, landing on the coast of Oriente Province with 82 men. Most of his followers were killed but he escaped into the mountains to win a victory later.

The Bible Speaks

From Calvary Baptist Church

SINS OF A SAINT

Saints are persons who are set apart and made holy by the blood of Jesus Christ. The first epistle to the Corinthians was written to saints. "Unto the church of God which is at Corinth, to them that are sanctified in Christ Jesus, called to be saints ..." I Corinthians 1:2. Saints have been sanctified or set apart positionally by the blood of Jesus Christ. "By the which will we are sanctified through the offering of the body of Jesus Christ once for all." Hebrews 10:10.

It is ironic that the saints of I Corinthians had some of the worst sin problems of any early church. Paul addressed these same believers as sanctified saints in chapter one, and as brethren who are carnal babies in chapter three. "And I, brethren, could not speak unto you as unto spiritual, but as unto carnal, even as unto babes in Christ." I Corinthians 3:1. Most of the entire epistle deals with the sins of the born-again saints in the church of Corinth.

In I John we find many details given to the Christian concerning sin. One of the first principles we find tells us that a Christian cannot even claim to have fellowship with God if he is practicing willful sin. "If we say that we have fellowship with him, and walk in darkness, we lie, and do not the truth." I John 1:6.

The only sins a Christian is forgiven of without confessing them to God are the sins of ignorance. "But if we walk in the light, as he is in the light, we have fellowship one with

another, and the blood of Jesus Christ." His Son cleanseth us from all sin." I John 1:7. As we walk daily in obedience to God's Word, the blood of Jesus Christ cleanses us from sins of ignorance. As we study and gain light we are in acknowledgment, confess and forsake such sins.

There is great danger for a Christian to deny that he has sins to confess. "If we say that we have no sin, we deceive ourselves, and the truth is not in us." I John 1:8. A Christian who claims no sin to confess either deceives himself into believing all his thoughts, words and deeds are perfect before God and man, or he lowers the truth of God's high standards as found in the Bible. Even the great apostle John included himself in this verse five times with the personal pronouns "we," "ourselves," and "us."

We should remember well the words of Ecclesiastes 7:20, "For there is not a just man upon earth, that doeth good, and sinneth not." We need to follow the instruction of Proverbs 28:13, "He that covereth his sins shall not prosper: but whoso confesseth and forsaketh them shall have mercy." (adv.)

Road Commission Minutes

November 12, 1976

A regular meeting of the Board of Crawford County Road Commissioners held in their office in Grayling. Chairman Johnson presiding. Members present, Commissioners Harold T. Johnson, R. LeRoy Millikin and Ervin E. Richter, Engineer Manager John M. Keir and Secretary Florence S. Douglas. Absent none.

The minutes of the last regular meeting were read. A motion was made by Comm. Richter, supported by Comm. Millikin that the minutes be approved as read. All voted in favor, motion carried.

Voucher No. 689 covering payroll No. 23, in the amount of \$16,199.91 and Vouchers No. 690 to 719 covering materials in the amount of \$13,977.52 were presented for approval. A motion was made by Comm. Millikin, supported by Comm. Richter that Vouchers 689 to 719 be approved and warrants drawn in their respective amounts. All voted in favor, motion carried.

An application was received from General Telephone Company for a permit to place buried communication cable on Eagle Point Road, Lincoln Park Blvd. and Lake Avenue in Grayling Township. The permit was approved and signed by the Commissioners.

Applications were received from Michigan Consolidated Gas Company for a permit to:

1. Install a gas main to serve a new customer on Jason Place, Grayling Township.

2. Install a gas main to serve a new customer on Pembroke Drive in Grayling Township. The permits were approved and signed by the Commissioners.

It was reported by Engineer Manager Keir that he had approval for Federal Aid Secondary Projects on the Manistee River Road, Wakeley Bridge Road and Ole Dam Road. The above projects expected to be completed during the 1977 construction season.

Engineer Manager Keir was authorized to advertise for gasoline and fuel oil bids.

Following the business meeting the Commissioners and Engineer Manager Keir made a trip of inspection over Billman Road, Pere Cheney Road and Staley Lake Road. Upon returning to their office a motion was made and supported to adjourn. All voted in favor, motion carried, meeting adjourned.

OBITUARIES

Former Resident Dies In Accident

Michelle (Mickey) Smith, 20 year old daughter of Mr. and Mrs. Kenneth Burns, former residents of Grayling, was fatally injured in an automobile accident Wednesday, November 17th. Funeral services were held Saturday in Livonia.

Mrs. Mary McNeven Succumbs At 99

Mrs. Mary McNeven, age 99, of Grayling, passed away November 16 at Knollview Manor - Muskegon. She was born July 13, 1877 at Miller Station, Pennsylvania and had been a resident of Grayling for 90 years. She was married to James McNeven December 23, 1903 and was a member of Michelson Memorial United Methodist Church.

Mrs. McNeven is survived by two daughters, Mrs. Stuart (Ruth) Jones of Muskegon and Mrs. Clair (Bernice) Smith of Grayling; four grandchildren; eleven great-grandchildren and one great-great-grandchild. Her husband, a son and a daughter preceded her in death.

Funeral services were held Friday at one o'clock at Sorenson Funeral Home with Rev. George Spencer officiating. Interment was in Elmwood Cemetery.

Honorary pallbearers were Bennie Allen, Rick Allen, Larry Casler, Robert Smith, Douglas Jones and Donald Balcom.

Foryst Barber, 78 Services Tuesday

Foryst D. Barber, 78, of Grayling passed away at Mercy Hospital Saturday, November 20th. He was born in Grayling October 19, 1898 and was formerly a sales engineer for Simplicity Engineering Co. of Durand.

Funeral services were to be held at Sorenson Funeral Home at two o'clock Tuesday with Rev. George Spencer officiating. Interment will be in Elmwood Cemetery.

Mr. Barber is survived by his wife, Verna; four sons, Jack of Livonia, Donald of Greenville, Richard of Gurnee, Illinois and Jerry of Greenville; two sisters, Mrs. David (Margaret) Dunk of Belleville and Mrs. Ren (Frieda) Barker of Grand Rapids; also, nine grandchildren. One grandchild preceded him in death.

Any memorial contributions may be made to the Lions Club for Eye Research.

Final Rites For Alfred Galloway

Funeral services were held Monday at one o'clock at Sorenson Funeral Home for Alfred D. Galloway, 53, of Beaver Creek, who passed away Friday, November 19, at Little Traverse Hospital in Petoskey. Officiating was Pastor Robert Haskel and interment was in the Beaver Creek Cemetery.

Mr. Galloway was born in Grayling August 31, 1923, the son of the late Mr. and Mrs. Alfred Galloway. He was a lifetime resident of Crawford County.

He was employed at A-Sable Souvenir Works in Frederic and was a member of Moose Lodge 1162 of Grayling and Eagles Lodge 3465 of Grayling. A Candlelight Memorial Service under the auspices of the Moose Lodge was held at Sorenson Funeral Home Sunday evening.

Mr. Galloway is survived by one brother, John Galloway of Grayling.

Serving as pallbearers were Art Stephenson, Gene Kaiser, Maynard Sutton, Olla Cooper, James Miller and Cecil Canfield.

School Activities

Superintendent's Corner

[By Fraser Dean]

Last Wednesday evening the Crawford AuSable School District launched what we hope will be a broad based citizen's advisory committee that will develop several recommended courses of action for the Board pertaining to school finance, school facilities, and the school program (curriculum, class sizes, instructional supplies, etc.). At the outset it was decided that everyone who has an interest in the school either because of their children, their taxes, or the well-being of the community should be invited and encouraged to attend. Letters were sent to over sixty people who have previously shown interest either by their attendance at Board meetings, outspoken criticism, or involvement on the committees formed to pass or fail the previous millage election. Notices were placed in the newspaper and on the radio inviting anyone else who wanted to be a part of the committee to attend.

The turnout was not what we hoped for and although there were many who were probably unable to attend for a variety of reasons, I suspect that there were many who did not attend because they did not want to spend the time or energy that such an activity requires.

If we are to provide the quality and scope in our educational program that the community wants and is willing to support then the members of the community must be willing to step forward to find out what is really taking place in school, what should be taking place, what the costs are, what they are in other schools, what they should be here, what the problem of the state financing of education is, and what the alternatives might be.

Our detractors have no right to criticize if they have not made a sincere effort to find out the facts, weigh the alternatives, and suggest solutions. This is their opportunity to make such a contribution. The next meeting of the Citizen's Advisory Committee will be held at the High School library at 7:30 p.m. on Monday, December 6th.

Welcome to the Classroom

By Grayling High School Staff

This is the fourth in a series of articles designed to bring you closer to Grayling High School. Each week this column will focus on a course, program, teacher or other aspect of the Grayling High School curriculum. As always, you are invited to visit Grayling High School to observe any programs described in this column or to discuss questions or ideas with school personnel. Please call in advance and check in at the general office when you arrive.

The focus of our attention this week is our Basic Math program. All students are required to take mathematics at the freshman level. They may take either Algebra I or Basic Math. Basic Math is a one semester course which is then followed by a choice of either Shop Math, Business Math, or Pre Algebra for the second semester. The one semester Basic Math program is highly individualized and divided into 12 units covering addition, subtraction, multiplication, and division of whole numbers, decimals and fractions.

Students are encouraged to work at their own pace. Within each unit, students must complete a series of worksheets successfully. A test covering that particular unit is then taken and if the student receives a score of 80% or better on the test they go on to the next unit. If they receive a score under 80% they must complete another series of worksheets in the same area followed by another test. They continue to complete worksheets and tests until they receive a score of 80%. A student therefore must demonstrate a minimum of 80% proficiency in performing all the basic mathematical functions before receiving credit for Basic Math. If therefore can be guaranteed that at least at some point before graduating every Grayling High School graduate has demonstrated a proficiency in Basic Mathematical functions.

Most students finish Basic Math within one semester and therefore move on to either Business Math, Shop Math, or Pre-Algebra. These courses are individualized in the same manner as is Basic Math. However, students who have not completed all twelve units of Basic Math within a semester continue working at their own rate in Basic Math the next semester until they complete the entire program. At this time they may then begin the next course. Students who complete all twelve units of Basic Math in less than one semester immediately may move on to work in the next math course.

It is felt by the Grayling High School mathematics staff that our current basic mathematics program meets the needs of all students by allowing them to work at their own rate and still guarantees that all of our graduates have basic computational skills.

Instructors Lacey Stephan and Robert Prause deserve a great deal of credit for initiating this program and completely authoring the entire individualized programed Basic Mathematics course.

Basic Math is taught by four different teachers: Lacey Stephan is a mathematics major with 10 years of teaching experience. Robert Prause is a mathematics major with an M.A. degree and fourteen years teaching experience. Mike Dean has a minor in mathematics and a major in physics and five years teaching experience, and Tom Mills is certified in special education and has six years of teaching experience.

Strictly Elementary

By Chris Bernard

In my last five articles I have written about the kids at Grayling Elementary School. I have enjoyed it, for in those weeks I have learned a lot about them and being a father of four, I didn't think these kids could teach me much. I was wrong, they did.

In the next four articles I am going to talk to the grown-ups that work at the school. I am going to start with the bus driver.

The driver I picked was Pat Kozicki. She happens to be the driver that picks up my daughter and takes her to the High School. Pat is on the road at 7:00 a.m. and she finishes her last run at 5:10 at night. She picks up all the grades from Kindergarten to Seniors at the Senior High. Pat makes twenty-two stops and when she has picked them all up she has 73 kids of all ages to transport safely.

Pat drives a total of 135 miles a day and has to go her route three times. But before she starts each run she has to check the bus to make sure that it is in good running condition, as she can't afford to break down on these cold winter mornings. I asked her what do the drivers do in case of a break down and she told me that all the buses from 1973 up have radios and can easily call in for help, but there are buses that are older and if they break down you have to go for help.

Pat has (knock on wood) never to date been stuck in the snow but she told me her run was all on black top so she doesn't run into trouble except on the mornings when she beats the snowplow and this doesn't happen very often. (God Bless the snowplow men).

Pat said every three years she has to have her license renewed just like we do but she has to take a written test plus a driving test and a physical. Your personal driving record affects your work record so you must keep that good too. If you should get seven points on your personal record then you automatically lose your job as a bus driver. Pat has a good record.

Pat loves the kids and her job, and according to all reports, does a fine job. So hats off to the school bus driver for come rain or snow, bus #74-9 is on the road, either picking them up or bringing them home.

Now just a few lines about Pat herself. She has been in Grayling seven years and loves every moment of it. How come every time someone moves up here they fall in love with this place? I know I did too.

Pat is going to High School herself at night's for her High School Diploma, and lives with her mother, Helen. Her Mother is as nice as she is.

Pat has driven the school bus since 1969 and if you hear old 74-9 roaring down the highway, have your kids ready, for you have a lady back of the wheel who doesn't like to take her kids to school late.

Next week the job of the custodian. See you then.

Going to the Avalanche

Thursday afternoon, Mrs. Bove's room went to the Avalanche and saw Mr. Madsen, Kathie and Gayle. They explained the things. And we saw a compugraphic and a wax machine, a linotype and a printing press. Kathie typed the compugraphic. Gayle showed us the wax machine. And she also showed us the linotype. Mr. Madsen showed us how you can rearrange the newspaper. (by Lisa Horning)

Small Wonder

Jimmy is looking at a miracle. The more science learns about us, the more marvelous we are discovered to be. The complex structure of our eyes . . . the infinitely delicate balance of our hearing . . . the unequalled functioning of our brain . . . hundreds of smaller miracles that combine into one great miracle — a human being!

No man on earth can create another. We are God's handiwork, and we are most wonderfully made.

But there is a lot more to Jimmy than can be seen in a mirror or under a microscope. There is that determining factor . . . character. He needs church guidance to help him build the kind of character that will sustain him throughout his life.

The Christian religion has one main purpose . . . to mold men in Christ's likeness . . . the perfect image of God.

Thunder Beyond The Mountains
The Story of the Revolutionary War in the Old Northwest
By Gordon J. Post

A final blow to George Rogers Clark's hopes for an assault on Detroit in 1781 came on August 24 of that year when Indians under Joseph Brant ambushed 100 Pennsylvania volunteers who were heading down the Ohio River in an effort to catch up with Clark. Brant, a Mohawk, learned to speak and write English as a student in Connecticut at a school operated by Eleazar Wheelock, founder of Dartmouth College. An ally of the British in the French and Indian War, Brant also participated in

Pontiac's prison in 1755. While in England in 1775, he was entertained by James Boswell and his portrait painted by Romney, Commissioner, a Colonel by the British, he participated in several Revolutionary War raids and battles.

The prisoners, along with their commander, Archibald Lochry, were taken to a prison in Clark at Fort Mifflin on August 8 that night. The prisoners were held there for a week before being taken to build boats for the British. They were then taken to a prison in Two Rivers, Michigan. Lochry's men were taken to a prison in Clark, Michigan. They were then taken to a prison in Clark, Michigan. They were then taken to a prison in Clark, Michigan.

Lochry's men, most of whom were around a fire cooking and eating the buffalo, found themselves being fired upon by the British. Lochry's men were taken to a prison in Clark, Michigan. They were then taken to a prison in Clark, Michigan. They were then taken to a prison in Clark, Michigan.

Another survivor of the incident was Captain Robert Orr, who was a broken arm during the attack. He was taken to a prison in Clark, Michigan. They were then taken to a prison in Clark, Michigan. They were then taken to a prison in Clark, Michigan.

Play Safe
 Even though ground beef is plentiful and economical, home-makers should exercise care in handling the meat as soon as it arrives from the market. Because ground meat is perishable, it should be stored immediately in the coldest part of the refrigerator or meat compartment and should be used within 24 hours after purchase.

There's an organization working in the United States determined to help us make fewer of these and less of this.

It's NAPA, the National Automotive Parts Association. NAPA is the number one organization supplying automotive replacement parts in the United States.
 And NAPA is right in step with the sweeping changes facing the automotive industry and the car owner right now.
 NAPA has already taken positive, aggressive steps to meet the challenge of cleaning up our environment by supplying parts to help our cars running longer and cleaner.
 Today's critical energy shortage and new safety regulations offer additional challenges to the car owner. To better understand the various systems of your car, how they work, and how to keep them working... look for the NAPA sign where you'll find quality replacement parts and top technicians who have the know-how to use these parts in making lasting repairs. And, they can give you sound advice on how to avoid those repairs again and explain how you can get more from your car. Let's become responsible about our cars. Together we'll make a lot less junk and pollution. And a cleaner United States.

Class to Make T.V. Tape

by Willard Bosserman, County Extension Director

Tom Mills' meteorology class made plans to make a T.V. tape on energy conservation at a workshop held in Roscommon, November 17th. Developing a school project was one of the goals to be achieved at the workshop.

Students from Roscommon and Grayling high schools took part in the energy conservation workshop. Students learned about the energy problem during the morning. They started to put together a program to inform the rest of the student body of the school in the afternoon. They determined that a T.V. tape would be the best way of reaching the rest of the students.

The Roscommon group decided to make the community aware of the need for mass transportation to take some of the load off private cars. Private cars are the least efficient in use of energy per person per mile.

Attending the workshop with Mr. Mills were: George Denewett, Steve Kapets, Tom Weideman, Dean Morford and Mark Anderson.

A film from the U.S. Department of Commerce, "Critical Choices" pointed out how the energy needs of the year 2000 were almost impossible to meet.

Governor Milliken has recently created an office of Michigan Energy Administration within the Department of Commerce to help get the information to the people of Michigan concerning the need to conserve energy.

Ski Touring In East Mich.

BAY CITY — There is no need to look at the thermometer to know that winter is upon the midwest and East Michigan. All that is needed is to know where to go for winter fun. The answer lies in the just-off the presses "East Michigan Winter Guide".

The 48-page, full color publication features cross-country skiing. East Michigan, with its thousands of acres of State and National Forest lands, is ideally suited to ski touring. The book details ten dozen marked cross-country trails. However, thousands of unmarked acres are available that are ideally suited to the adventurer, including the noted cross-state trail which has been put off limits to all motorized traffic.

Snowmobiling on more than 70 marked trails in East Michigan, opens up winter vistas to recreationists. Most of the trails are groomed.

Full information about the trails, including phone numbers for current information on snow conditions, make planning a snowmobile safari a more certain excursion.

Alpine skiing at East Michigan's 11 ski parks assures the novice or advanced skier with an experience both satisfying and relaxing. Colorful art of each area and highway map-sections invite a visit. Here, some of the nation's most experienced and accomplished skiers learned, and polished their techniques.

For a free copy of the East Michigan Winter Guide - write East Michigan Tourist Association, Log Office, Bay City, Michigan 49706.

YOUR WEEK AHEAD By DAMIS

Forecast Period:
November 25 - December 4, 1976

ARIES
Mar. 21-Apr. 19

Your temper may get out of control if you're not watchful. Communicate your sentiments to others but play it cool.

TAURUS
Apr. 20-May 20

You may find the loyalty of friendships being tested. Be cautious and avoid stirring up ill feeling. Visit your hospitalized friend.

GEMINI
May 21-June 20

Much activity related to partnerships or other people. Let's not be contrary just for the sake of argument. Open mindedness brings rewards.

MOONCHILD
June 21-July 22

There may be some heated discussions connected with religion or education. It is easier to conform than swim upstream.

LEO
July 23-Aug. 22

This should bring a week of pleasurable enjoyment in sports, romance, or maybe a good investment—or whatever. Have fun.

VIRGO
Aug. 23-Sept. 22

Direct all that energy toward the domestic scene. Make improvements. Check out all appliances to ensure safe operation.

LIBRA
Sept. 23-Oct. 22

You become involved in rather heated discussions in your pursuit of practical information. Matters having to do with co-workers can be improved.

SCORPIO
Oct. 23-Nov. 21

Business activity should bring financial gains. It seems to be a favorable time for work and service matters. Lend a helping hand where you can.

SAGITTARIUS
Nov. 22-Dec. 21

You are probably experiencing a great deal of physical energy. It's a good time to improve your health thru exercise.

CAPRICORN
Dec. 22-Jan. 19

Some hazardous traffic conditions call for extra alertness. Maintain harmonious attitude with family. Be alert to behind the scenes intrigue.

AQUARIUS
Jan. 20-Feb. 18

You'll probably experience conflict with friends in your handling of organizational matters. Stick with it. They'll see it your way eventually.

PISCES
Feb. 19-Mar. 20

You're wearing your emotions on your sleeve. Don't waste precious time pouting. Treat yourself to a nice gift—a morale builder.

Christmas

exchange student to Chile. There will also be Christmas entertainment, luncheon and door prizes.

As to all Extension Homemakers programs, the public is invited.

Pre-registration for lunch is requested. Please send your name and luncheon fee of \$3.25 (this includes tax, tip and beverage), by November 26th to: Mrs. Velda Marshall, P.O. Box 101, Grayling, MI. 49738. Phone 348-7165.

Make checks payable to Area 16 Extension Homemakers Council.

Do plan on joining us for a delightful program and the luncheon.

Hospital Auxiliary

The Mercy Hospital Auxiliary Annual Christmas Party and meeting will be held on December 9th at 12:00 noon at the north wing of the hospital. The members agreed rather than exchange gifts this year, to bring a selection of food which will be presented to the Hatt's Home of the Aged.

Wanda Zielinski, publicity chairman suggests that it would be a good idea for everyone to select a charity of their own choice and add it to their Christmas list.

ment of CBS "60 Minutes" Sunday afternoon program broadcast some time ago concerning Unemployment Compensation involving Michigan principals. The CBS feature is entitled: "Another Rip Off."

Additionally, MAC representatives will present analyses of Unemployment Compensation legislation now pending in both the Michigan State Senate and House of Representatives. Other pending legislation likely to be moved toward final decision before the state legislature adjourns for the year Dec. 31 is also slated for discussion.

The presentation by Romine is scheduled at 10:30 a.m. on December 2nd. Interested area business and industry representatives have been invited to participate in this segment of the program.

Madsen-Moore Vows Spoken

The marriage vows of Miss Sandra Marie Madsen, the daughter of Ms. Betty Madsen and Howard R. Madsen both of Grayling, and Steven Patrick Moore, son of Mrs. Walter Brozowski of Grayling, and the late Mr. Bruce N. Moore of Rochester were spoken at 4 o'clock Saturday afternoon, October 16, 1976, at the Michelson Memorial United Methodist Church. The double-ring ceremony was performed by Reverend George Spencer before some 125 guests. Music was played by Mrs. June Feldhauser, grandmother of the bride. The tunes selected were "We've Only Just Begun", "Everyday of My Life" and the traditional "Wedding March", also guitar solo's done by Patricia Duley and Maureen Hoffman who sang "Follow Me", and "Day by Day".

The Church decorations included two planters of white glads and baby blue pom-pom mums, with lemon

leaves. Given in marriage by her father, the bride wore a floor length gown of Sata Peau with a v-neckline and empire waist graced with venice lace and white pearls, long bell sleeves, accented with the same lace and pearls. A full flowing chapel train with laced edge accented it. Her mantilla veil of silk illusion was attached to a Juliet cap of Brussels crochet lace. She carried a cascade of white roses and blue tinted pom-pom mums with baby's breath and ivy streamers.

Susan Theaker, sister of the bride served as Matron of Honor. Denise Mott and Judi Shively were bridesmaids, and Dawn Gabriel, niece of the bride, was junior bridesmaid. Kim Cole of Ypsilanti and Amy Sue Hayes, both nieces of the bride were flower girls. The maid of honor and both flower girls wore dresses of blue, green and white polyester double knit empire waist gowns, accented with venice lace and white ribbon. The three bridesmaids wore light baby blue polyester double knit gowns to match the others, also with venice lace. They all had long puffy sleeves except the two flower girls, which had short puffy sleeves. They all wore white ribbons in their hair and carried white carnations and baby blue pom-pom mums with baby's breath. The flower girls carried baskets of the same. All dresses were made by the sister of the bride, Sharon Gabriel, except the Matron of Honor who made her own.

Phillip Knapp served as best man, Gary Mott and Bob Terry were groomsmen and Billy Abare, cousin of the groom from Gould City served as junior groomsmen. Ushers were Bob Madsen, brother of the bride, and Dave Moore, brother of the groom. The groom and the groomsmen wore baby blue Wellington tuxedos, with blue and white ruffled shirts with matching vest and tie.

A buffet supper following the ceremony was held at the American Legion Hall. The blue and white color scheme was carried out on the buffet table as well as the bride's table. The table was graced with a long assortment of colored flowers. The hall was decorated with baby blue crepe paper and white wedding bells.

For her daughter's wedding, Ms. Madsen wore a long pink chiffon over taffeta gown, with a ruffled v-neck with matching accessories and a corsage of pink sweetheart roses. For her son's wedding, Mrs. Brozowski chose a turquoise polyester double knit long pleated dress with high neckline and long sleeves, with a corsage of white sweetheart roses.

Following a week's honeymoon in the Upper Peninsula, the newlyweds are making their new home on Goose Creek in Grayling.

The bride is a 1975 graduate of the Grayling High School. The groom is a 1974 graduate of Grayling High School.

Out of town guests were present from Alma, Detroit, Gould City, Kalkaska, Okemos, Mio, Rochester, Roscommon, Shepherd, Vassar and Ypsilanti.

A rehearsal dinner was held at the Grayling House Friday, October 15.

District Court

The following appeared in the 83rd District Court before Judge Francis L. Walsh last week:

Thomas Charles DeMoines, 22, and Kenneth Patrick Beck, 23, both of Grayling pleaded guilty to a charge of attempted criminal sexual conduct in the 4th degree. DeMoines was sentenced to serve 35 days in the Crawford County Jail and Beck was ordered to serve 45 days in jail. Both were arrested on a citizen's complaint.

Ricky K. Harmon, 23, of Detroit, demanded preliminary examination to a charge of felonious assault. The 12 day period was waived and a \$2,000.00 cash/surety bond was set. Harmon was apprehended on a citizen's complaint November 13.

Joseph L. Adkinson, 18, of Grayling was ordered to pay fine and costs of \$105.00 or 10 days and restitution in the amount of \$73.57 after pleading guilty to a charge of simple larceny. He was apprehended September 11 on a citizen's complaint.

Steven Heckert, 17, of Grayling pleaded guilty to a charge of assault and battery and was ordered to pay fine and costs of \$45.00 or 5 days in jail. Heckert was arrested on a citizen's complaint October 29.

Delbert C. Nelson, 19, and Jeffrey P. Osga, 17, of Fred Eric both waived preliminary examination and were bound over to Circuit Court on a charge of breaking and entering. Bond was set at \$1,000.00 personal bond for each. They were apprehended on a citizen's complaint September 21.

Michael J. DuCharme, 23, Jackson State Prison, pleaded guilty to a charge of possession of marijuana and was ordered to serve 60 days in the Crawford County Jail. He was arrested July 31 on a citizen's complaint.

Harold W. Shaffer, 35, of Garden City entered a plea of nolo contendere to a charge of driving while under the influence of intoxicating liquor. Total fine and costs were \$205.00 or 14 days in jail. City Policemen arrested him November 13.

Harold Carleton Southard, 56, of St. Clair Shores, was ordered to pay fine and costs of \$185.00 or 14 days in jail after pleading guilty to a charge of impaired driving. Sheriff's Deputies arrested him November 14.

Charles E. Rivers, 19, of Grayling pleaded guilty to a charge of receiving and concealing stolen property under \$100.00. Total fine and costs were \$105 or 10 days in jail. He was apprehended on a citizen's complaint September 11.

Dewey Lee Stewart, 27, of Madison Heights pleaded guilty to a charge of careless driving and was ordered to pay fines and costs of \$85.00 or 10 days in jail. Sheriff's Deputies arrested him November 13.

Vernon L. Blundell, 52, Detroit, pleaded guilty to a charge of disorderly person by intoxication in a public place. Total fine and costs were \$65.00 or 7 days in jail. City Policemen arrested him November 15.

Ronald Allen Shaffer, 19, of Redford, and Robert Lee Shaffer, 44, of Taylor, both entered pleas of Nolo Contendere to a charge of disorderly person by intoxication in a public place. Total fine and costs were \$65.00 or 7 days in jail. City Policemen arrested them November 13.

Take our 5 1/4% interest passbook savings account. Interest is paid daily and compounded quarterly giving you a 5.35% annual yield.

And you can't beat our certificate savings either. Four different accounts paying the highest interest in Michigan. You'll find no one pays more and some pay less.

When it comes to borrowing, we're mortgage experts. If you're looking for a consumer loan, or a home improvement loan, we have those, too, for almost anything you can imagine. And our rates are more than competitive.

When it comes to saving or borrowing, remember First Savings and Loan. Like our name says, we're first. So, why settle for second best?

OES to Meet

The Grayling Chapter #83 O.E.S. will meet December 1st at the Masonic Temple. The regular meeting will follow with a Christmas party in the Dining Room. Please bring a \$2.00 gift exchange.

All members are invited to attend and we extend an invitation to those living in the area, who belong to other chapters to join us for a happy time. Thanksgiving blessings to all.

Masons Meet

Grayling's Masonic Lodge, No. 356, will hold their annual election of officers at their regular meeting Thursday, Dec. 2nd. Installation of the new officers will be on Friday, Dec. 10th.

Bits O' Talk

by Fay Bovee

On Tuesday, November 16, Michelle Lee Wilkins celebrated her 4th birthday with a small party. Her guests were Todd and Chris Colten and Amy Valdick. Games were played and prizes were won by all. Everyone had a real nice time.

Ed Skinner and son, Craig, of Grand Ledge have been spending a few days with Mrs. Herbert Bice and doing some hunting. Herbert is still in the hospital at Lackland Air Force Base in Texas, where he will undergo extensive heart surgery. He has been there since November 1st.

Scott Fick received a telephone call from Chile this past Tuesday from Gonzalo Arancibia wishing him a "happy birthday".

Those from out of town in attendance at the final rites for Clement W. Baline were: Mr. and Mrs. Charles Burns, Mrs. Merle Pfundt and Mr. David Pfundt, all of Bay City; Mr. and Mrs. George Hamilton and Mr. and Mrs. Douglas Blaine of Houghton Lake; Mr. and Mrs. Jack Hagerman of Alma; Mr. and Mrs. Don F. Gill of Toledo, Ohio; Mr. and Mrs. Nels Kren of Bridgeport; Mrs. Harry Martin and Mr. Alfred Martin of Flint; Mr. and Mrs. Robert Munn of West Branch; Mrs. Jack Losey, Mrs. Frank Sherwood and Mr. and Mrs. Verceil Walter, all of Ithaca; Mr. and Mrs. Stanley Larson, Mrs. Paul Flaker and Mrs. Cecil Hendee, all of Lansing and Mr. and Mrs. Hugh Campbell of Gaylord.

John Scheer of CMU spent the weekend with his parents, Mr. and Mrs. Bill Scheer.

Mrs. Gary Townsend and little son, Scott, of Marquette surprised her parents, Mr. and Mrs. Carl Doroh, Sunday afternoon, November 14, with a visit. They left for home Tuesday morning and arrived home by early afternoon. They enjoyed the sunshine all three days and the Dorohs enjoyed their visit.

The Old Timer

"The world is so full of a number of things that it's hard to keep up payments on them."

Card of Thanks

We would like to thank Arlene and Bud Halstead for the beautiful cake they made for our daughter, Michelle's birthday. It was enjoyed greatly by everyone.
